Today's world demands a new way to do business. Organizations continue to wrestle with complexity in a difficult business environment. You face the dual challenge of reducing operating costs while responding to greater customer needs and ultimately increasing profitability. Microsoft Dynamics® GP 2010 strengthens the ability of people and organizations to face these ongoing challenges, so that businesses can remain competitive and grow.

This latest release of Microsoft Dynamics GP 2010 extends the reach of insight, productivity, and collaboration across your entire business, helping to ensure that people—an organization's most powerful asset—and the different ways they work continue to drive business success. New capabilities deliver faster access to personalized business intelligence, enhanced ways to streamline business processes, and built-in tools that speed deployment and customization. Equally important, Microsoft Dynamics GP 2010 takes full advantage of Web-based innovation, community, and collaboration to connect your entire ecosystem—employees, customers, and vendors. We keep it simple, but we deliver the new way to do business.

**A limited time offer to help you get started\***  
**Microsoft is extending a special offer to new customers to help them drive their businesses forward.**

#### Offer Details

Effective March 1st, 2011, and available until end of the business day June 24th, 2011, all new customers that meet the eligibility criteria can take advantage of this special offer. This Microsoft Dynamics offer is available only in the United States.

With the initial purchase of a Foundation Pack for Microsoft Dynamics GP the customer gets one user as standard and, under the terms of this offer, will get up to two (2) additional users for no additional license cost.

- Offer is valid for both Business Essentials and Advanced Management Editions of the product.
- Customers can order any configuration of functionality and any number of additional users they need to meet their business need and benefit from the offer on the first two (2) additional users. Additional users and functionality modules will be sold per regular Microsoft Dynamics price list.

#### \*Exclusions

Offer does not apply to:

- Microsoft Dynamics Light Users, Microsoft Dynamics Employee Self-Service users, Limited and Point of Sale (POS) Device client access licenses (CALs), and the External Connector.
- Microsoft SQL Server Runtime Edition and Database licenses.
- Microsoft SharePoint Runtime Edition.
- A la carte functionality modules.
- Third-party (independent software vendor [ISV]) software and functionality.
- Microsoft Dynamics CRM and CRM-related services or components.
- Microsoft Dynamics AX, Microsoft Dynamics AX for Retail, Microsoft Dynamics C5, Microsoft Dynamics XAL, Microsoft Apertum, or Microsoft Small Business Financials.
- Offer cannot be combined with other offers and promotions.
- All purchases beyond the initial one (1) user included in the Foundation Pack and the two (2) additional users the customer gets with the offer will be priced based on the regular Microsoft Dynamics price list.
- This offer cannot be converted into cash.
- Taxes, if any, are the sole responsibility of the recipient.
- This offer is non-transferable.
- Offer available only through participating resellers. Reseller prices, terms and conditions may vary.
- Customers who take advantage of this offer will not be allowed to transition to another Microsoft Dynamics ERP product using their transition credit for two years from the date they purchase their first Microsoft Dynamics NAV, Microsoft Dynamics GP or Microsoft Dynamics SL licenses.

#### Eligibility

- Offer applies to new Microsoft Dynamics customers only.
- Customers located in the United States purchasing Microsoft Dynamics GP must purchase one year of the Business Ready Advantage Plan (BRAP) when they purchase their licenses.
- Enhancement/support plan fees will be calculated based on the system list price ("SLP") of all users (including the two (2) additional users) and components, based on the regular Microsoft Dynamics price list. Eligible customer may accept one or two additional users, as they deem appropriate.
