

# VISION

## MICROSOFT DYNAMICS GP USER CONFERENCE

Vision 2016 is a day-long conference focused on educating clients on how to get the most out of their investment with Microsoft Dynamics GP. During Vision, attendees will have the opportunity to:

- Participate in educational sessions led by our consultants
- Discover new ways to become more efficient with GP
- Learn about added functionality to improve processes
- Network with other GP users
- ... and more!

April 21, 2016

\$129 per person

Harris Conference Center | Charlotte, NC
